New Movie Theater Opens on Robinson Barracks

The 6th Area Support Group has opened a new 84-seat movie theater on Robinson Barracks. The German government completed the new facility and turned it over to the American community in exchange for the building which housed the previous theater. The new theater is located inside the Robinson Barracks Community Club and is more centrally located in the housing area.

The theater, part of the Robinson Barracks Entertainment Center, houses a 6-by-10-foot screen and will be used for conferences, town hall meetings, award ceremonies and other community events. Special lighting, heavy curtains and an adaptable sound system make the room ideal for a variety of events. The floor slopes for better viewing and the padded seats have cup holders on the armrests.

The theater may be new but the movie schedule will remain the same with three showings on the weekend and a Sunday matinee. The matinee is often a family film. Ticket prices will also remain the same, from \$2 to \$3.50. Patrons will be able to purchase hot dogs as well as the usual drinks, candy and popcorn. The 6th ASG Morale, Welfare and Recreation and AAFES will share profits generated by the theater. For movie listings check the AAFES Web site (www.aafes.com/europe/eucom_consol/index.html).
